## About This Game

### Welcome to the World of Arkanys

*On a summer morning, a young boy finds his home wrecked and his family gone. Armed with courage and driven by the pain of his loss, he sets out on a journey to find out the truth. What he is about to discover will forever change the World of Arkanys...*

**Legends of Eternal** is the first game developed by **Lucid Dreams Studio**. It is a 2D single-player action adventure game where you need to explore beautiful hand-crafted environments to find out the truth about your parents' disappearance. Through your journey, you will meet strange people, solve dynamic puzzles and battle tough creatures.

It is planned to be released sometime early 2019. As the first entry in the **Eternal Universe** on which the studio plans on building up, this game set up the backstory of important events in the world of Arkanys that will shape the fate of entire nations.
